**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

This application contains a granted petition to make special. In view of that petition decision, the following are applicable:

The application contains no specification, claims, abstract and drawings corresponding to a method of embedding product information on a digital versatile disc. If that is to be the subject matter of the application, the appropriate documents are needed.

The application does contain as filed, a specification, claims, and abstract for a method of treating leukemia. There is no appropriate oath/declaration.

The above items do not match. Please provide the appropriate documents to complete the application.
